Subject: Ordinance Authorizing the Issuance of \$26 Million of Additional Bonds for Projects
Associated with Public Health Trust.

Recommendation

It is recommended that the Board of County Commissioners (Board) enact the accompanying Ordinance (2015 Ordinance) approving the issuance of \$26 million of additional Miami-Dade County, Florida Public Facilities Revenue Bonds (Jackson Health System), Series 2015 (2015 Bonds) pursuant to Section 2.09 of Ordinance 05-49 enacted by the Board on March 1, 2005 and supplemented by Ordinance 09-49 enacted by the Board on June 30, 2009 (Master Ordinance).

The 2015 Ordinance provides for the authorization of 2015 Bond proceeds to be utilized for the following purposes:

1. Provide proceeds, together with other available moneys of the Public Health Trust (Trust), if any, for paying or reimbursing the Trust for costs of all or a portion of the projects as described in Exhibit "A" attached to this 2015 Ordinance (2015 Projects);
2. Provide for the funding of any deposits, if necessary, to be made with respect to the 2015 Bonds into the Debt Service Reserve Fund or provide for a Reserve Facility with respect to the 2015 Bonds; and
3. Paying cost of issuance of the 2015 Bonds, including without limitation, the cost of any premiums for municipal bond insurance and any Reserve Facility related to the 2015 Bonds.

The 2015 Ordinance further provides that the terms, maturities, interest rates and other bond related details for each series of 2015 Bonds be established in a Series Resolution to be approved by the Board prior to the issuance of each series of 2015 Bonds.

Scope

The 2015 Projects will have a countywide impact.

Track Record/Monitoring

The 2015 Bonds will be managed by Mark T. Knight, Executive Vice President & Chief Financial Officer, at Jackson Health System and Frank P. Hinton, Director, Division of Bond Administration in the Finance Department.

Fiscal Impact/Funding Source

The 2015 Bonds will be a special limited obligation of the County payable solely from and secured by a pledge of the Pledged Revenues of the Trust as provided in the Master Ordinance. Pledged Revenues are defined as Gross Revenues of the Trust and all moneys and investments on deposit to the funds and accounts established under the Master Ordinance. The Master Ordinance provides added security in the form of a County covenant to annually budget and appropriate from legally available non-ad valorem revenues, which are funds necessary to replenish any draws in the Debt Service Reserve Fund. The covenant provides the Trust with a stronger credit, which could result in lower financing cost for the 2015 Bonds. The 2015 Bonds will be issued to replace unspent proceeds (Unspent Proceeds) from the Outstanding Bonds, which are explained in the Background Section of this transmittal memorandum, and fund the projects that were expected to be completed with the Unspent Proceeds.

Background

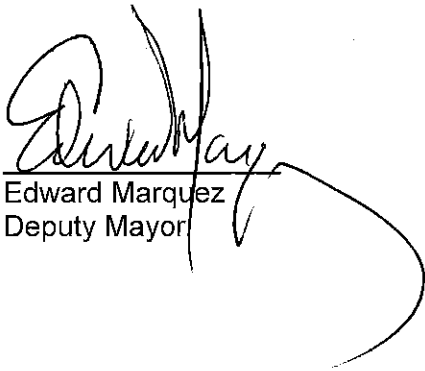

Pursuant to the Master Ordinance, the County has issued:

1. \$148,535,000 Public Facilities Revenue Bonds, Series 2005A, of which all remain outstanding;
2. \$151,465,000 Public Facilities Revenue Refunding Bonds, Series 2005B, of which \$113,830,000 remain outstanding; and
3. \$83,315,000 Public Facilities Revenue Bonds, Series 2009, of which \$77,360,000 remain outstanding.

Collectively, the outstanding amounts of the bonds issued constitute the Outstanding Bonds, which total \$339,725,000. Currently, \$25.4 million of the total Outstanding Bonds remain as Unspent Bonds.

In order to take advantage of lower interest rates and achieve significant debt service savings, currently estimated at a net present value of \$34.4 million, the Trust is proposing to refund all its Outstanding Bonds. It is important to note that to effectuate the proposed refunding, defeasance and redemption of all the Outstanding Bonds, Greenberg Traurig, P.A. and Edwards & Associates, bond counsel for the proposed refunding, advised that for federal income tax purposes it would be in the best interest of the County to allocate the Unspent Proceeds toward the refunding, defeasance and redemption of the Outstanding Bonds. Therefore, the approval of the 2015 Ordinance is necessary to authorize the issuance of new money bonds to replace the Unspent Proceeds, which will be used to fund the projects authorized by the 2005 and 2009 bonds. The 2015 Bonds will be issued as additional bonds on parity with the Outstanding Bonds pursuant to section 2.09 of the Master Ordinance. A separate Series Resolution will come before the Board requesting to refund all Outstanding Bonds.

The 2015 Projects to be funded from the proceeds of the 2015 Bonds are listed in Exhibit "A" to the 2015 Ordinance. The 2015 Projects are the same projects authorized by Board pursuant to the Master Ordinance. The County Mayor has the discretion to modify Exhibit A after consultation with Bond Counsel.
